ADVOCACY AND EMPOWERMENT FOR HEALTHCARE PROFESSIONALS

*Nan Gallagher Presents*  
***“How the Wrong Staff Can Cost You Patients, Dollars & Your Sanity”***  
***at NJMGMA’s 2022 Practice Management Conference (#PMC2022)***

On May 18, 2022, in her capacity as General Counsel for the New Jersey Medical Group Management Association (NJMGMA), Nan Gallagher presented “How the Wrong Staff Can Cost You Patients, Dollars & Your Sanity” at NJMGMA’s 2022 Practice Management Conference #PMC2022 at the Tropicana Casino & Hotel in Atlantic City. Ms. Gallagher was honored to have presented at this well-attended event.

The “Medical Group Management Association (MGMA) is a key element in perpetuating success throughout the healthcare industry. Whether you’re an MGMA member to advance your personal goals or your professional career, we have the resources to initiate change and drive results.” – MGMA.com

For over 20 years, Nan Gallagher has devoted her career exclusively to the advocacy of healthcare professionals and entities. An accomplished healthcare and employment litigator and administrative attorney, she focuses her practice on licensing, regulatory and credentialing matters in New Jersey and New York, all facets of administrative professional discipline, litigation, Medical Staff and Society representation, General Counsel services, summary suspensions and fair hearings, hearing officer services, privileged QA peer review investigations, credentialing guidance, EMR and cybersecurity counseling, physician and practice contracts, leases, practice sales, private equity transactions, estate planning for medical practices, physician burnout & impairment, disruptive behavior, online reputation management, employment and labor counseling, concierge medicine, Qui Tams, ERISA and state out-of-network appeals, audits, billing and coding counseling, corporate practice of medicine guidance, private equity transactions, telemedicine, and mock agency inspections. She is proud to be a Certified HIPAA Administrator and OSHA Compliance Analyst offering documentation packages and training programs to her healthcare clientele. She also provides annual anti-discrimination and anti-harassment training to medical professionals.
