ADVOCACY AND EMPOWERMENT FOR HEALTHCARE PROFESSIONALS

***Nan Gallagher Named General Counsel  
to the New Jersey Medical Group Management Association (NJMGMA)!***

For Immediate Release: On February 28, 2022, Founder and Managing Member of The Nan Gallagher Law Group, Ms. Nan Gallagher, was named as General Counsel to the New Jersey Medical Group Management Association! When asked about being appointed, Ms. Gallagher said, “I am honored to have been appointed as General Counsel for NJMGMA. I have a long history with Core Association Partners and Executive Director, Dawn Wilno, and this seemed like a very logical next step towards benefitting their membership. I am looking forward to a bright future with the organization!”

For over 20 years, Nan Gallagher has devoted her career exclusively to the advocacy of healthcare professionals and entities. An accomplished healthcare and employment litigator and administrative attorney, she focuses her practice on licensing, regulatory and credentialing matters in New Jersey and New York, all facets of administrative professional discipline, litigation, Medical Staff and Society representation, General Counsel services, summary suspensions and fair hearings, hearing officer services, privileged QA peer review investigations, credentialing guidance, EMR and cybersecurity counseling, physician and practice contracts, leases, practice sales, private equity transactions, estate planning for medical practices, physician burnout & impairment, disruptive behavior, online reputation management, employment and labor counseling, concierge medicine, Qui Tams, ERISA and state out-of-network appeals, audits, billing and coding counseling, corporate practice of medicine guidance, private equity transactions, telemedicine, and mock agency inspections. She is proud to be a Certified HIPAA Administrator and OSHA Compliance Analyst offering documentation packages and training programs to her healthcare clientele. She also provides annual anti-discrimination and anti-harassment training to medical professionals.

Ms. Gallagher is a nationally recognized authority and thought-leader on groundbreaking healthcare topics and is sought after for her tireless and dedicated focus on controversial pro-physician platforms. She also has carved out a niche practice for herself serving as Chief Legal Officer and Chief Compliance Officer for countless medical practices.
