ADVOCACY AND EMPOWERMENT FOR HEALTHCARE PROFESSIONALS

***Nan Gallagher Named General Counsel
to the American Board of Multiple Specialties in Podiatry (ABMSP)***

For Immediate Release: On July 1, 2022, Founder and Managing Member of The Nan Gallagher Law Group, Ms. Nan Gallagher, was named as General Counsel to the American Board of Multiple Specialties in Podiatry! When asked about being selected, Ms. Gallagher was quoted as saying, “I am honored to have been appointed as the G.C. for ABMSP. With a rich history in excellence in podiatric surgical excellence, I look forward to all of the exciting future plans we have in store.”

For over 20 years, Nan Gallagher has devoted her career exclusively to the advocacy of healthcare professionals and entities. An accomplished healthcare and employment litigator and administrative attorney, she focuses her practice on licensing, regulatory and credentialing matters in New Jersey and New York, all facets of administrative professional discipline, litigation, Medical Staff and Society representation, General Counsel services, summary suspensions and fair hearings, hearing officer services, privileged QA peer review investigations, credentialing guidance, EMR and cybersecurity counseling, physician and practice contracts, leases, practice sales, private equity transactions, estate planning for medical practices, physician burnout & impairment, disruptive behavior, online reputation management, employment and labor counseling, concierge medicine, Qui Tams, ERISA and state out-of-network appeals, audits, billing and coding counseling, corporate practice of medicine guidance, private equity transactions, telemedicine, and mock agency inspections. She is proud to be a Certified HIPAA Administrator and OSHA Compliance Analyst offering documentation packages and training programs to her healthcare clientele. She also provides annual anti-discrimination and anti-harassment training to medical professionals.

Ms. Gallagher is a nationally recognized authority and thought-leader on groundbreaking healthcare topics and is sought after for her tireless and dedicated focus on controversial pro-physician platforms. She also has carved out a niche practice for herself serving as Chief Legal Officer and Chief Compliance Officer for countless medical practices.
